

<b>Event Location:</b> Training will be conducted Via Zoom As a Virtual Event on dates specified below	<b>Sponsors:</b> Joint Security Awareness Council (JSAC) NCMS Greater Dallas-Fort Worth Chapter
--	---

TIME	JSAC 2021 Workshop Schedule Wednesday, 07 April 2021	Speaker / Instructor
8:30 - 9:00	Welcome/Opening Remarks Pledge of Allegiance	Heather Dunn, JSAC Chair and James White, DFW / NCMS Chapter Chair
9:00-9:50	<u>GENERAL SESSION</u> Topic: <a href="#">DCSA FY21 Priorities &amp; Updates</a> DCSA Leadership will provide information on the agency's priorities in near future, as well as other updates pertinent to JSAC's industrial security audience.	<a href="#">DCSA Leadership</a> (1 CEU)
9:50 – 10:05	15 Minute Break	
10:05 – 10:55	<u>GENERAL SESSION</u> Topic: <a href="#">DISS Update – Common Roadblocks</a> The United States Government (USG) is replacing the Joint Personnel Adjudication System (JPAS) with the Defense Information System for Security (DISS), the latter will become the system of record (SOR) On March 31st, 2021, for the personnel security clearance process. Personnel security management requires accurate, real-time information on eligibility, access, record management, investigation status, as well as the ability to report adverse information on cleared employees as required by the National Industrial Security Program (NISP). This training will provide an updated on how the transition is going, upcoming releases and help address and issues the user community is experiencing.	<a href="#">Jeremy Wendell</a> (1 CEU)
10:55 – 11:00	Wrap Up	

TIME	JSAC 2021 Workshop Schedule Wednesday, 14 April 2021	Speaker / Instructor
12:30 - 13:00	Welcome/Opening Remarks Pledge of Allegiance	Heather Dunn, JSAC Chair  and James White, DFW / NCMS Chapter Chair
13:00-13:50	<u>GENERAL SESSION</u> Topic: <a href="#">NISPPAC Update</a> The National Industrial Security Program Policy Action Committee (NISPPAC) is an organization Industry and government representatives who work together to address policy issues or concerns and serve as a voice of Industry to government organizations. In this session, learn about the latest items being discussed at the NISPPAC level (such as transitioning to new government systems), new guidance being issued (such as the NISPOM) and how you can stay engaged.	<a href="#">Jane Dinkel</a> (1 CEU)
13:50 – 14:05	15 Minute Break	
14:05 – 14:55	<u>GENERAL SESSION</u> Topic: <a href="#">Security Inquiries and Investigations – DCSA Perspective</a> In this informative workshop you will be provided with an overview of security inquiry and investigation requirements for industry as it relates to reporting security violations from the perspective of a DCSA Representative and an Information System Security Professional. The shared insight will assist industry to better understand the violation process and the inherent government responsibilities, per DoD policies.	<a href="#">DCSA Jessica Quigley &amp; Tyrone Baker</a> (1 CEU)
14:55 – 15:00	Wrap Up	

**Note to Attendees:** CEUs approved by NCMS CEU Subcommittee (Jim M.) as long as attendees participate for the full 50 minute session. Please upload both documents (training agenda and attendance certificate) to the NCMS recertification folder.
