

Joint Security Awareness Council 2022 Annual Workshop

The Global Modern Transformation

Join us for our annual security seminar
on **May 11-12, 2022**, on Zoom!

This year's seminar is again **VIRTUAL**
due to the government restrictions on
COVID-19 gatherings. Log-on to
<https://www.jsac-dfw.org> to register.

COST OF WORKSHOP: In lieu of a
registration fee, please consider donating to
this year's JSAC/NCMS sponsored Nonprofit
Charity: "Operation First Response."

More details on Operation First Response can
be found on this registration page:
<https://www.operationfirstresponse.org/>

DEADLINE FOR REGISTRATION:
Registration will be open until the week prior
to the event or the seminar day has filled to
capacity.

Sessions include:

May 11, 2022

- **DISS to NBIS Transition**
- **Supply Chain– Government Perspective**
- **Addressing The Updated Security Review Model**
- **Background Investigations – Common Issues and Best Practice**

May 12, 2022

- **DCSA Update**
- **NAO DCSA Update**
- **ISSM/ISSO Panel**
- **FSO Roundtable – New Security Review Evolution**

*Presented by the North Texas Joint
Security Awareness Council (JSAC) and
the Dallas Fort Worth National
Classification Management Society
(NCMS).*

NOTE:

Each session attended qualifies for 1 CEU
